Interim Co-Lead Counsel for Indirect Purchaser Plaintiffs

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
OAKLAND DIVISION

**IN RE: LITHIUM ION BATTERIES
ANTITRUST LITIGATION**

Case No. 13-MD-02420 YGR (DMR)
MDL NO. 2420

**This Document Relates to:
ALL INDIRECT PURCHASER ACTIONS**

**DECLARATION OF STEVEN N.
WILLIAMS IN SUPPORT OF INDIRECT
PURCHASER PLAINTIFFS' MOTION
FOR FINAL APPROVAL OF CLASS
ACTION SETTLEMENT WITH SONY**

1 I, Steven N. Williams, declare as follows:

2 1. I am an attorney duly licensed to practice law in the State of California and
3 admitted to practice in this Court and the courts of the State of California. I am a partner with
4 Cotchett, Pitre & McCarthy, LLP (“CPM”), and Interim Co-Lead Counsel for Indirect Purchaser
5 Plaintiffs (“IPPs”). I make this Declaration in support of IPPs’ motion for final approval of the
6 Sony Settlement. The matters described are based on my personal knowledge, and if called as a
7 witness, I could and would testify competently thereto. I make this declaration pursuant to 28
8 U.S.C. § 1746.

9 2. The purpose of this declaration is to summarize the factual and procedural history
10 of the litigation, the work performed by Interim Co-Lead Counsel and Supporting Counsel¹
11 (collectively, “Class Counsel”), and the steps Class Counsel employed to ensure efficient
12 management of this litigation, and to describe the terms of the Sony Settlement and the efforts
13 used to achieve that settlement and provide notice to the settlement classes.

14 **INTRODUCTION AND SUMMARY OF WORK PERFORMED**

15 3. This action arises from an alleged conspiracy among several Japanese and Korean
16 corporations and their U.S. subsidiaries to fix the prices of lithium ion batteries (“LIBs”).
17 Plaintiffs allege that Defendants’ conspiracy began as early as January 2000 and continued until
18 at least May 31, 2011 (the “Class Period”).

19 4. During the course of this hard-fought, three-year litigation, Interim Co-Lead
20 Counsel supervised and directed the work performed by Supporting Counsel to ensure that the
21 work they performed was accomplished effectively and efficiently.

22 5. As this Court knows from the more than 1,490 docket entries, this case has been
23 vigorously contested by some of the most sophisticated defense counsel in the country.

24 6. Class Counsel performed the following services:

- 25 • Conducted an initial case investigation to develop the theories of liability and the
- 26 facts that formed the basis on the allegations against Defendants. This research
- 27 included a review of publicly available information regarding the lithium ion

28 ¹ “Supporting Counsel” refers to a number of attorneys and law firms that assisted Co-Lead Class Counsel in the prosecution of this litigation.

- battery (“LIB”) industry, and consultation with industry experts and economists;
- Drafted four comprehensive consolidated amended complaints detailing Defendants’ alleged violations of the antitrust laws (ECF Nos. 221, 419, 519, and 1168);
 - Conducted exhaustive legal research regarding the IPPs’ claims and the defenses, particularly with respect to Defendants’ multiple rounds of motions to dismiss, and Toshiba’s motion for summary judgment based on its alleged withdrawal from the conspiracy. IPPs largely prevailed on each motion (ECF Nos. 361, 512, and 1160);
 - Propounded multiple sets of discovery that—after extensive meet and confers and negotiations with Defendants—resulted in the identification of 273 document custodians and the production of more than eight million documents, and voluminous electronic transactional data. Many of these documents were in Japanese and Korean and had to be translated.
 - Organized and oversaw a team of lawyers that reviewed, searched, and extensively coded and analyzed these foreign language documents;
 - Engaged in extensive non-party discovery, including obtaining access to and reviewing 71 datasets concerning the non-parties’ purchases and sales of LIBs and packs and products containing LIBs;
 - Retained expert economists and consultants to analyze and review Defendant and non-party data to assist counsel in their investigation and analysis and to prepare expert reports in support of IPPs’ class certification motion. This involved many hours of discussions, research, and analysis.
 - Maintained close communication with the class representatives throughout the litigation and answered six sets of discovery propounded by Defendants, including Requests for Production of Documents, Interrogatories and Requests for Admission, and a contention interrogatory concerning Defendants’ concealment of their conspiratorial activities;

- Prepared for and took the depositions of twenty-one fact and 30(b)(6) witnesses of Defendants and three non-party witnesses. Prepared for, took, and defended the depositions of five experts in relation to IPPs' class certification motion.
 - Prepared for and defended thirty-two depositions that Defendants took of IPPs' class representatives. This involved extensive consultation with each class representative and their individual counsel and electronic document retrieval for document production.
 - Engaged and consulted extensively with experts and economists on issues pertaining to electronic discovery, liability, summary judgment, class certification, and damages throughout the course of the litigation;
 - Engaged in extensive settlement discussions with the Sony Defendants; and
 - Documented the settlements with the Sony Defendants, briefed motions for preliminary approval, and developed a robust notice program to inform the class members of the pending settlements.
7. Throughout this three-year litigation, IPPs have faced the following risks:
- The risk of litigating against some of the largest and most sophisticated law firms in the world with seemingly limitless resources;
 - The risk of not being reimbursed for out of pocket litigation costs, such as those involved with translating documents and retaining experts;
 - The risk that the consolidated complaints would not withstand the extensive individual and joint motions to dismiss;
 - The risk that Toshiba would prevail on its Motion for Summary Judgment;
 - The risk of not achieving class certification;
 - The risk that even if Plaintiffs were able to obtain a favorable settlement or judgment, that the financial condition or bankruptcy of a Defendant would materially change or lessen the amount of the settlement;
 - The risk that Defendants would, and in fact have, vehemently contested their participation in the alleged conspiracy;

- 1 • The risk of trying an antitrust case, which is considered “notoriously complex,”
2 (see *Weseley v. Spear, Leeds & Kellogg*, 711 F. Supp. 713, 719 (E.D.N.Y. 1989);
3 and
- 4 • The changing landscape of the law with respect to civil antitrust actions, proving
5 damages and class actions cases generally.

6 8. During the course of this litigation, IPPs have propounded multiple sets of
7 discovery, conducted numerous, lengthy meet and confers, and engaged in multiple rounds of
8 motion practice in front of Magistrate Judge Ryu on discovery issues. See ECF Nos. 805, 822,
9 836, 938, 1143, and 1177. The net result of these efforts is that Defendants ultimately identified
10 273 document custodians, and produced more than eight million pages of documents as well as
11 voluminous electronic transactional data. Plaintiffs contracted with Catalyst Repository Systems
12 Inc., Everlaw Inc., and Omega Discovery Solutions, LLC, to retrieve, host, and review the
13 documents produced by Defendants and third parties in discovery.

14 9. Throughout this litigation, Class Counsel has been in close contact with each of
15 the proposed class representatives, and have collected and produced documents responsive to
16 Defendants’ requests. IPPs engaged iDiscovery Solutions, Inc. (“IDS”), an e-Discovery vendor,
17 to respond to a motion to compel filed by Defendants, which alleged that IPPs had not adequately
18 preserved, collected, or produced the class representatives’ metadata. In IPPs’ view, the issues
19 Defendants raised were overstated. However, in an abundance of caution, Class Counsel and IDS
20 re-collected the class representatives’ documents, and completed a revised document production
21 for each class representative. Defendants agreed to withdraw the motion based on this
22 production. See ECF No. 1220.

23 10. To date, IPPs have incurred a total of \$429,604.12 for the document retrieval,
24 hosting, and review services from these providers. See Exhibit 1.

25 11. Many of the documents Defendants produced were written in Japanese and Korean
26 and, under the translation protocol governing the case, the parties had to obtain certified
27 translations of the documents before they could be entered as exhibits at depositions or cited in
28 briefs. See ECF No. 665 at 1. As shown in the attached cost summary (Exhibit 1), IPPs incurred

1 a total of \$157,362.92 for certified translations of nearly two thousand documents. IPPs have
2 used hundreds of certified translations at depositions and in the briefing in this case.

3 12. On January 22, 2016, IPPs filed their motion for class certification. ECF No.
4 1036. IPPs filed the expert reports of economists Dr. Edward Leamer and Dr. Rosa Abrantes-
5 Metz in support of this motion. ECF Nos. 1036-1 and 1036-2. Drs. Leamer and Abrantes-Metz
6 have been working on this case since the Court appointed Co-Lead Counsel, and have conducted
7 a significant amount of work analyzing the impact of Defendants' conspiracy and the damages to
8 the IPP class.

9 13. Economic consulting firm EconOne Research, LLC, performed work at the
10 direction of Dr. Leamer in analyzing Defendants' transactional data. In total, EconOne analyzed
11 data from more than 71 third parties, and from each Defendant. This analysis involved a
12 systematic review of more than 381 gigabytes of data as well as conducting detailed regressions
13 and sensitivity analyses.

14 14. Dr. Leamer and Dr. Abrantes-Metz were deposed for a collective sixteen and a
15 half hours.

16 15. Defendants filed their opposition to class certification on May 24, 2016. ECF No.
17 1283. As part of that filing, Defendants submitted two *Daubert* motions and the expert reports of
18 Margaret Guerin-Calvert, Dr. Quinn Horn, and Daniel Moe to counter the opinions offered by Dr.
19 Leamer and Dr. Abrantes-Metz. ECF Nos. 1280-3 and 1280-5. On August 23, 2016, IPPs filed
20 their reply in support of their class certification motion. ECF No. 1402-2. IPPs submitted reply
21 reports by Dr. Leamer and Dr. Abrantes-Metz that provided specific responses to criticisms of
22 their work made by Defendants' experts. *Id.*

23 16. Each of the four expert reports filed by the IPPs was based on extensive economic
24 analyses of Defendants' documents, transactional data, and opposing expert reports, and took
25 many hours to complete.

26 17. Class Counsel have also engaged applEcon LLC for additional data collection, and
27 have engaged an industry expert.

28

18. The work these experts have done supports IPPs' motion for class certification, and Class Counsel will continue to rely on their analyses as they prepare for summary judgment and trial. As a result of this extensive work, IPPs have incurred a total of \$3,116,338.70 in expert expenses. *See Exhibit 1.*

19. The combined total incurred for (1) consultants and experts necessary to advance the interests of the proposed class, (2) document retrieval, hosting and review platforms, and (3) translations of foreign language documents is \$3,703,305.74. *See Exhibit 1.*

20. Attached hereto as Exhibit 2 is a true and correct copy of the proposed Settlement agreement ("Settlement" or "Sony Settlement") between IPPs and Defendants Sony Corporation, Sony Electronics Inc., and Sony Energy Devices Corporation (collectively, "Sony").

21. This is the first settlement between IPPs and any defendant in this action.

22. Attached hereto as Exhibit 3 is the proposed Long-Form Notice that was provided to the Settlement Classes.

23. Attached hereto as Exhibit 4 is the proposed Short-Form Notice that was provided to the Settlement Classes.

24. Attached hereto as Exhibit 5 is the Class Action Fairness Act ("CAFA") notice provided by Sony to the Settlement Classes.

25. The Settlement was the product of arm's-length negotiations among experienced and well-informed counsel. Plaintiffs' negotiations with Defendant Sony occurred with the assistance of the Hon. Vaughn Walker (ret.), an extremely capable and highly experienced jurist and mediator. The negotiations were contested and conducted in the utmost good faith.

26. The settlement payment totaling USD \$19,500,000.00 ("Settlement Amount") confers a substantial benefit to the Settlement Classes, because class members will receive meaningful cash payments in the short term and will avoid the uncertainty, delay and risk of continued litigation.

27. This Settlement preserves IPPs' right to litigate against the non-released defendants for the entire amount of IPPs' damages based on joint and several liability.

28. The Settlement provides that Sony will cooperate with IPPs in prosecuting their claims against the remaining Defendants.

29. The classes defined in the Settlement were the same as classes alleged in the Third Consolidated Amended Complaint, which was pending at the time Sony and IPPs reached the Settlement.

30. The classes in this case include many members dispersed across the country.

31. A.B. Data, Ltd., IPPs' notice provider, implemented a notice program as follows: (1) directly emailed the long form notice to over 15.8 million potential class members; (2) published the short form notice in *Better Homes and Gardens*, *Parade* and *People* magazines; (3) caused a copy of the notices to be posted on the internet website www.batteriesconsumerlitigation.com; (4) used banner and text ads to achieve more than 273 million digital impressions; and (5) disseminated a news release via PR Newswire.

32. Claims by members of the Settlement Classes will be paid on pro rata basis depending upon the number of qualified purchases per class member.

33. Based upon expert analysis of the transactional data produced to date, the Settlement Amount represents approximately 2.2% of the overcharge indicated by IPPs' preliminary damage study.

34. Based on the forgoing, and many years of experience in antitrust class actions of this type, Interim Co-Lead Counsel finds the Sony Settlement to be fair, reasonable, and adequate to the Settlement Classes.

I declare under the penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on October 4, 2016, in Burlingame, California.

This Document Relates to:

SETTLEMENT AGREEMENT

ALL INDIRECT
PURCHASER PLAINTIFF
ACTIONS

This Settlement Agreement (hereinafter, "Agreement") is made and entered into as of the 17th day of November, 2015, by and between Defendants Sony Corporation, Sony Energy Devices Corporation and Sony Electronics Inc. (collectively "Sony"), and Indirect Purchaser Plaintiffs, both individually and on behalf of Classes in the above-captioned class action. This Agreement is intended by the Settling Parties to fully, finally and forever resolve, discharge and settle the Released Claims, upon and subject to the terms and conditions hereof.

RECITALS

WHEREAS, Indirect Purchaser Plaintiffs are prosecuting the above-captioned litigation on their own behalf and on behalf of Classes against, among others, Sony;

WHEREAS, Indirect Purchaser Plaintiffs allege, among other things, that Sony violated the antitrust laws by conspiring to fix, raise, maintain or stabilize the prices of Lithium Ion Batteries, and these acts caused the Classes to incur significant damages;

WHEREAS, Sony has denied and continues to deny each and all of the claims and allegations of wrongdoing made by the Indirect Purchaser Plaintiffs in the Actions; all charges of wrongdoing or liability against it arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Actions; and the allegations that the Indirect Purchaser Plaintiffs or any member of Classes were harmed by any conduct by Sony alleged in the Actions or otherwise;

WHEREAS, Indirect Purchaser Plaintiffs and Sony agree that neither this Agreement nor any statement made in the negotiation thereof shall be deemed or construed to be an admission or evidence of any violation of any statute or law, or of any liability or wrongdoing by Sony or of the truth of any of the claims or allegations alleged in the Actions;

WHEREAS, arm's length settlement negotiations have taken place between Sony and Indirect Purchaser Plaintiffs' Class Counsel, including negotiations conducted pursuant to mediation with Judge Vaughn R. Walker (ret.), and this Agreement, which

embodies all of the terms and conditions of the Settlement between the Settling Parties, has been reached (subject to the approval of the Court) as provided herein and is intended to supersede any prior agreements between the Settling Parties;

WHEREAS, Indirect Purchaser Plaintiffs' Class Counsel have concluded, after due investigation and after carefully considering the relevant circumstances, including, without limitation, the claims asserted in the Indirect Purchaser Plaintiffs' Third Consolidated Amended Class Action Complaint filed in MDL Docket No. 2420, the legal and factual defenses thereto and the applicable law, that it is in the best interests of the Indirect Purchaser Plaintiffs and the Classes to enter into this Agreement to avoid the uncertainties of litigation and to assure that the benefits reflected herein are obtained for the Indirect Purchaser Plaintiffs and the Classes, and, further, that Indirect Purchaser Plaintiffs' Class Counsel consider the Settlement set forth herein to be fair, reasonable and adequate and in the best interests of the Indirect Purchaser Plaintiffs and the Classes; and

WHEREAS, Sony, despite its belief that it is not liable for the claims asserted against it in the Actions and that it has good defenses thereto, has nevertheless agreed to enter into this Agreement to avoid the further expense, inconvenience and distraction of burdensome and protracted litigation, and thereby to put to rest this controversy with respect to the Indirect Purchaser Plaintiffs and the Classes and avoid the risks inherent in complex litigation;

A G R E E M E N T

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and among the Settling Parties, by and through their attorneys of record, that, subject to the approval of the Court, the Actions and the Released Claims as against Sony shall be finally and fully settled, compromised and dismissed on the merits and with prejudice upon and subject to the terms and conditions of this Agreement, as follows:

B. Preliminary Approval Order, Notice Order and Settlement Hearing

2. Reasonable Best Efforts to Effectuate This Settlement. The Settling Parties: (a) acknowledge that it is their intent to consummate this Agreement; and (b) agree to cooperate to the extent reasonably necessary to effectuate and implement the terms and conditions of this Agreement and to exercise their best efforts to accomplish the terms and conditions of this Agreement.

3. Motion for Preliminary Approval. At a time to be determined by Class Counsel, and subject to prior notice of ten (10) days to Sony, Class Counsel shall submit this Agreement to the Court and shall apply for entry of a preliminary approval order ("Preliminary Approval Order"), requesting, *inter alia*, preliminary approval ("Preliminary Approval") of the Settlement. The motion shall include (a) the proposed

Preliminary Approval Order, and (b) a definition of the proposed settlement classes pursuant to Federal Rule of Civil Procedure 23. The text of the foregoing items (a)-(b) shall be agreed upon by the Settling Parties.

4. Proposed Form of Notice. At a time to be determined in their sole discretion but no later than any other class settlement entered into by Class Counsel, Class Counsel shall submit to the Court for approval a proposed form of, method for and schedule for dissemination of notice to the Classes. To the extent practicable and to the extent consistent with this paragraph, Class Counsel may seek to coordinate this notice program with other settlements that may be reached in the Actions in order to reduce the expense of notice. This motion shall recite and ask the Court to find that the proposed form of and method for dissemination of notice to the Classes constitutes valid, due and sufficient notice to the Classes, constitutes the best notice practicable under the circumstances, and complies fully with the requirements of Federal Rule of Civil Procedure 23. Class counsel shall provide Sony with seven days advance notice of the text of the notice(s) to be provided to the Classes, and shall consider in good faith any concerns or suggestions expressed by Sony. Sony shall be responsible for providing all notices required by the Class Action Fairness Act of 2005 to be provided to state attorneys general or to the United States of America.

5. Motion for Final Approval and Entry of Final Judgment. Not less than thirty-five (35) days prior to the date set by the Court to consider whether this Settlement should be finally approved, Class Counsel shall submit a motion for final approval ("Final Approval") of the Settlement by the Court. The Settling Parties shall jointly seek entry of the final approval order ("Final Approval Order") and Judgment:

- (a) certifying the Classes, pursuant to Federal Rule of Civil Procedure 23, solely for purposes of this Settlement;
- (b) fully and finally approving the Settlement contemplated by this Agreement and its terms as being fair, reasonable and adequate

- within the meaning of Federal Rule of Civil Procedure 23 and directing its consummation pursuant to its terms and conditions;
- (c) finding that the notice given to the Class Members constituted the best notice practicable under the circumstances and complies in all respects with the requirements of Federal Rule of Civil Procedure 23 and due process;
 - (d) directing that the Actions be dismissed with prejudice as to Sony and, except as provided for herein, without costs;
 - (e) discharging and releasing the Releasees from all Released Claims;
 - (f) permanently barring and enjoining the institution and prosecution, by Indirect Purchaser Plaintiffs and Class Members, of any other action against the Releasees in any court asserting any claims related in any way to the Released Claims;
 - (g) reserving continuing and exclusive jurisdiction over the Settlement, including all future proceedings concerning the administration, consummation and enforcement of this Agreement;
 - (h) determining pursuant to Federal Rule of Civil Procedure 54(b) that there is no just reason for delay and directing entry of a final judgment as to Sony; and
 - (i) containing such other and further provisions consistent with the terms of this Agreement to which the parties expressly consent in writing.

Class Counsel also will request that the Court approve the proposed Distribution Plan and application for attorneys' fees and reimbursement of expenses (as described below).

6. Stay Order. Upon the date that the Court enters an order preliminarily approving the Settlement, Indirect Purchaser Plaintiffs and members of the Classes shall be

barred and enjoined from commencing, instituting or continuing to prosecute any action or any proceeding in any court of law or equity, arbitration tribunal, administrative forum or other forum of any kind worldwide based on the Released Claims. Nothing in this provision shall prohibit the Indirect Purchaser Plaintiffs or Class Counsel from continuing to participate in discovery in the Actions that is initiated by other plaintiffs or that is subject to and consistent with the cooperation provisions set forth in ¶¶ 28-34.

C. Releases

7. Released Claims. Upon the Effective Date, the Releasors (regardless of whether any such Releasor ever seeks or obtains any recovery by any means, including, without limitation, by submitting a Proof of Claim and Release, or by seeking any distribution from the Gross Settlement Fund) shall be deemed to have, and by operation of the Judgment shall have fully, finally and forever released, relinquished and discharged all Released Claims against the Releasees.

8. No Future Actions Following Release. The Releasors shall not, after the Effective Date, seek (directly or indirectly) to commence, institute, maintain or prosecute any suit, action or complaint or collect from or proceed against Sony or any other Releasee (including pursuant to the Actions) based on the Released Claims in any forum worldwide, whether on his, her or its own behalf or as part of any putative, purported or certified class of purchasers or consumers.

9. Covenant Not to Sue. Releasors hereby covenant not to sue the Releasees with respect to any such Released Claims. Releasors shall be permanently barred and enjoined from instituting, commencing or prosecuting against the Releasees any claims based in whole or in part on the Released Claims. The parties contemplate and agree that this Agreement may be pleaded as a bar to a lawsuit, and an injunction may be obtained, preventing any action from being initiated or maintained in any case sought to be prosecuted on behalf of any Releasors with respect to the Released Claims.

10. Waiver of California Civil Code § 1542 and Similar Laws. The Releasors acknowledge that, by executing this Agreement, and for the consideration received hereunder, it is their intention to release, and they are releasing, all Released Claims, even Unknown Claims. In furtherance of this intention, the Releasors expressly waive and relinquish, to the fullest extent permitted by law, any rights or benefits conferred by the provisions of California Civil Code § 1542, as set forth in ¶ 1(ff), or equivalent, similar or comparable laws or principles of law. The Releasors acknowledge that they have been advised by Class Counsel of the contents and effects of California Civil Code § 1542, and hereby expressly waive and release with respect to the Released Claims any and all provisions, rights and benefits conferred by California Civil Code § 1542 or by any equivalent, similar or comparable law or principle of law in any jurisdiction. The Releasors may hereafter discover facts other than or different from those which they know or believe to be true with respect to the subject matter of the Released Claims, but the Releasors hereby expressly waive and fully, finally and forever settle and release any known or unknown, suspected or unsuspected, foreseen or unforeseen, asserted or unasserted, contingent or non-contingent, and accrued or unaccrued claim, loss or damage with respect to the Released Claims, whether or not concealed or hidden, without regard to the subsequent discovery or existence of such additional or different facts. The release of unknown, unanticipated, unsuspected, unforeseen, and unaccrued losses or claims in this paragraph is not a mere recital.

11. Claims Excluded from Release. Notwithstanding the foregoing, the releases provided herein shall not release claims against Sony for product liability, breach of contract, breach of warranty or personal injury, or any other claim unrelated to the allegations in the Actions. For avoidance of doubt, this Agreement does not release claims arising from restraints of competition directed at goods other than (a) Lithium Ion Batteries, or (b) Lithium Ion Batteries contained in Finished Products. Additionally, the

releases provided herein shall not release any claims to enforce the terms of this Agreement.

D. Settlement Fund

12. Settlement Payment. Sony shall pay by wire transfer the Settlement Amount to the Escrow Agent pursuant to mutually agreeable escrow instructions within thirty (30) business days after the Execution Date. This amount constitutes the total amount of payment that Sony is required to make in connection with this Settlement Agreement. This amount shall not be subject to reduction, and upon the occurrence of the Effective Date, no funds may be returned to Sony. The Escrow Agent shall only act in accordance with the mutually agreed escrow instructions.

13. Disbursements Prior to Effective Date. No amount may be disbursed from the Gross Settlement Fund unless and until the Effective Date, except that: (a) Notice and Administrative Costs, which may not exceed seven-hundred fifty thousand U.S. Dollars (\$750,000), may be paid from the Gross Settlement Fund as they become due; (b) Taxes and Tax Expenses (as defined in ¶ 17(b) below) may be paid from the Gross Settlement Fund as they become due; and (c) attorneys' fees and reimbursement of litigation costs, as may be ordered by the Court, may be disbursed during the pendency of any appeals which may be taken from the judgment to be entered by the Court finally approving this Settlement. Class Counsel will attempt in good faith to minimize the amount of Notice and Administrative Costs and may seek to coordinate the notice described herein with other settlements in these Actions.

14. Refund by Escrow Agent. If the Settlement as described herein is finally disapproved by any court, or it is terminated as provided herein, or the Judgment is overturned on appeal or by writ, the Gross Settlement Fund, including the Settlement Amount and all interest earned on the Settlement Amount while held in escrow, excluding only Notice and Administrative Costs, Taxes and Tax Expenses (as defined herein), shall

be refunded, reimbursed and repaid by the Escrow Agent to Sony within five (5) business days after receiving notice pursuant to ¶ 41 below.

15. Refund by Class Counsel. If the Settlement as described herein is finally disapproved by any court, or it is terminated as provided herein, or the Judgment is overturned on appeal or by writ, any attorneys' fees and costs previously paid pursuant to this Agreement (as well as interest on such amounts) shall be refunded, reimbursed and repaid by Class Counsel to Sony within thirty (30) business days after receiving notice pursuant to ¶ 41 below.

16. No Additional Payments by Sony. Under no circumstances will Sony be required to pay more or less than the Settlement Amount pursuant to this Agreement and the Settlement set forth herein. For purposes of clarification, the payment of any Fee and Expense Award (as defined in ¶ 25 below), the Notice and Administrative Costs, and any other costs associated with the implementation of this Settlement Agreement shall be exclusively paid from the Settlement Amount.

17. Taxes. The Settling Parties and the Escrow Agent agree to treat the Gross Settlement Fund as being at all times a "qualified settlement fund" within the meaning of Treas. Reg. §1.468B-1. The Escrow Agent shall timely make such elections as necessary or advisable to carry out the provisions of this paragraph, including the "relation-back election" (as defined in Treas. Reg. §1.468B-1) back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of the Escrow Agent to prepare and deliver timely and properly the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur.

- (a) For the purpose of §468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the "administrator" shall be the Escrow Agent. The Escrow Agent shall satisfy the administrative requirements imposed by Treas. Reg.

§1.468B-2 by, *e.g.*, (i) obtaining a taxpayer identification number, (ii) satisfying any information reporting or withholding requirements imposed on distributions from the Gross Settlement Fund, and (iii) timely and properly filing applicable federal, state and local tax returns necessary or advisable with respect to the Gross Settlement Fund (including, without limitation, the returns described in Treas. Reg. §1.468B-2(k)) and paying any taxes reported thereon. Such returns (as well as the election described in this paragraph) shall be consistent with the provisions of this paragraph and in all events shall reflect that all Taxes as defined in ¶ 17(b) below on the income earned by the Gross Settlement Fund shall be paid out of the Gross Settlement Fund as provided in ¶ 19 hereof;

- (b) The following shall be paid out of the Gross Settlement Fund: (i) all taxes (including any estimated taxes, interest or penalties) arising with respect to the income earned by the Gross Settlement Fund, including, without limitation, any taxes or tax detriments that may be imposed upon Sony or its counsel with respect to any income earned by the Gross Settlement Fund for any period during which the Gross Settlement Fund does not qualify as a “qualified settlement fund” for federal or state income tax purposes (collectively, “Taxes”); and (ii) all expenses and costs incurred in connection with the operation and implementation of this paragraph, including, without limitation, expenses of tax attorneys and/or accountants and mailing and distribution costs and expenses relating to filing (or failing to file) the returns described in this paragraph (collectively, “Tax Expenses”). In all events neither

Sony nor its counsel shall have any liability or responsibility for the Taxes or the Tax Expenses. With funds from the Gross Settlement Fund, the Escrow Agent shall indemnify and hold harmless Sony and its counsel for Taxes and Tax Expenses (including, without limitation, Taxes payable by reason of any such indemnification). Further, Taxes and Tax Expenses shall be treated as, and considered to be, a cost of administration of the Gross Settlement Fund and shall timely be paid by the Escrow Agent out of the Gross Settlement Fund without prior order from the Court, and the Escrow Agent shall be obligated (notwithstanding anything herein to the contrary) to withhold from distribution to Authorized Claimants any funds necessary to pay such amounts, including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. §1.468B-2(1)(2)); neither Sony nor its counsel is responsible therefor, nor shall they have any liability therefor. The Settling Parties agree to cooperate with the Escrow Agent, each other, their tax attorneys and their accountants to the extent reasonably necessary to carry out the provisions of this paragraph.

E. Administration and Distribution of Gross Settlement Fund

18. Time to Appeal. The time to appeal from an approval of the Settlement shall commence upon the Court's entry of the Judgment regardless of whether or not either the Distribution Plan or an application for attorneys' fees and expenses has been submitted to the Court or resolved.

19. Distribution of Gross Settlement Fund. Upon further orders of the Court, the Notice and Claims Administrator, subject to such supervision and direction of the Court and/or Class Counsel as may be necessary or as circumstances may require, shall

administer the claims submitted by members of the Classes and shall oversee distribution of the Gross Settlement Fund to Authorized Claimants pursuant to the Distribution Plan. Subject to the terms of this Agreement and any order(s) of the Court, the Gross Settlement Fund shall be applied as follows:

- (a) To pay all costs and expenses reasonably and actually incurred in connection with providing notice to the Classes in connection with administering and distributing the Net Settlement Fund to Authorized Claimants, and in connection with paying escrow fees and costs, if any;
- (b) To pay all costs and expenses, if any, reasonably and actually incurred in soliciting claims and assisting with the filing and processing of such claims;
- (c) To pay the Taxes and Tax Expenses as defined herein;
- (d) To pay any Fee and Expense Award that is allowed by the Court, subject to and in accordance with the Agreement; and
- (e) To distribute the balance of the Net Settlement Fund to Authorized Claimants as allowed by the Agreement, any Distribution Plan or order of the Court.

20. Distribution of Net Settlement Fund. Upon the Effective Date and thereafter, and in accordance with the terms of this Agreement, the Distribution Plan and such further approval and further order(s) of the Court as may be necessary or as circumstances may require, the Net Settlement Fund shall be distributed to Authorized Claimants, subject to and in accordance with the following:

- (a) Each member of the Classes who claims to be an Authorized Claimant shall be required to submit to the Notice and Claims Administrator a completed Proof of Claim and Release in such form as shall be approved by the Court;

- (b) Except as otherwise ordered by the Court, each member of the Classes who fails to submit a Proof of Claim and Release within such period as may be ordered by the Court, or otherwise allowed, shall be forever barred from receiving any payments pursuant to this Agreement and the Settlement set forth herein;
- (c) The Net Settlement Fund shall be distributed to Authorized Claimants substantially in accordance with a Distribution Plan to be approved by the Court. Any such Distribution Plan is not a part of this Agreement. No funds from the Net Settlement Fund shall be distributed to Authorized Claimants until after the Effective Date; and
- (d) All Persons who fall within the definition of the Classes who do not timely and validly request to be excluded from the Classes shall be subject to and bound by the provisions of this Agreement, the releases contained herein, and the Judgment with respect to all Released Claims, regardless of whether such Persons seek or obtain by any means, including, without limitation, by submitting a Proof of Claim and Release or any similar document, any distribution from the Gross Settlement Fund or the Net Settlement Fund.

21. No Liability for Distribution of Settlement Funds. Neither the Releasees nor their counsel shall have any responsibility for, interest in or liability whatsoever with respect to the distribution of the Gross Settlement Fund; the Distribution Plan; the determination, administration or calculation of claims; the Settlement Fund's qualification as a "qualified settlement fund"; the payment or withholding of Taxes or Tax Expenses; the distribution of the Net Settlement Fund; or any losses incurred in connection with any such matters. The Releasors hereby fully, finally and forever release, relinquish and discharge the Releasees and their counsel from any and all such liability. No Person shall have any

claim against Class Counsel or the Notice and Claims Administrator based on the distributions made substantially in accordance with the Agreement and the Settlement contained herein, the Distribution Plan or further orders of the Court.

22. Balance Remaining in Net Settlement Fund. If there is any balance remaining in the Net Settlement Fund (whether by reason of tax refunds, uncashed checks or otherwise), Class Counsel may reallocate such balance among Authorized Claimants in an equitable and economic fashion, distribute remaining funds through *cy pres*, or allow the money to escheat to federal or state governments, subject to Court approval. In no event shall the Net Settlement Fund revert to Sony.

23. Distribution Plan Not Part of Settlement. It is understood and agreed by the Settling Parties that any Distribution Plan, including any adjustments to any Authorized Claimant's claim, is not a part of this Agreement and is to be considered by the Court separately from the Court's consideration of the fairness, reasonableness and adequacy of the Settlement set forth in this Agreement, and any order or proceedings relating to the Distribution Plan shall not operate to terminate or cancel this Agreement or affect the finality of the Judgment, the Final Approval Order, or any other orders entered pursuant to this Agreement. The time to appeal from an approval of the Settlement shall commence upon the Court's entry of the Judgment regardless of whether either the Distribution Plan or an application for attorneys' fees and expenses has been submitted to the Court or approved.

F. Attorneys' Fees and Reimbursement of Expenses

24. Fee and Expense Application. Class Counsel may submit an application or applications (the "Fee and Expense Application") for distributions from the Gross Settlement Fund for: (a) an award of attorneys' fees; plus (b) reimbursement of expenses incurred in connection with prosecuting the Actions; plus (c) any interest on such attorneys' fees and expenses (until paid) at the same rate and for the same periods as earned by the Settlement Fund, as appropriate, and as may be awarded by the Court.

25. Payment of Fee and Expense Award. Any amounts that are awarded by the Court pursuant to the above paragraph (the “Fee and Expense Award”) shall be paid from the Gross Settlement Fund consistent with the provisions of this Agreement.

26. Award of Fees and Expenses Not Part of Settlement. The procedure for, and the allowance or disallowance by the Court of, the Fee and Expense Application are not part of the Settlement set forth in this Agreement, and are to be considered by the Court separately from the Court’s consideration of the fairness, reasonableness and adequacy of the Settlement set forth in this Agreement. Any order or proceeding relating to the Fee and Expense Application, or any appeal from any Fee and Expense Award or any other order relating thereto or reversal or modification thereof, shall not operate to terminate or cancel this Agreement, or affect or delay the finality of the Judgment and the Settlement of the Actions as set forth herein. No order of the Court or modification or reversal on appeal of any order of the Court concerning any Fee and Expense Award or Distribution Plan shall constitute grounds for cancellation or termination of this Agreement.

27. No Liability for Fees and Expenses of Class Counsel. Neither the Releasees nor their counsel shall have any responsibility for or liability whatsoever with respect to any payment(s) to Class Counsel pursuant to this Agreement and/or to any other Person who may assert some claim thereto or any Fee and Expense Award that the Court may make in the Actions, other than as set forth in this Agreement.

G. Cooperation

28. Cooperation as Consideration. In return for the Release and Discharge provided herein, Sony agrees to pay the Settlement Amount and agrees to provide cooperation to Indirect Purchaser Plaintiffs as set forth specifically below. Except as otherwise specified herein, all cooperation shall commence within ten (10) business days after Preliminary Approval by the Court of this Agreement.

29. Cooperation Subject to and Consistent with Prior Obligations. Sony and the Indirect Purchaser Plaintiffs shall not be obligated to provide cooperation that

would violate an applicable court order or Sony's commitments to the United States Department of Justice or any other governmental entity. Additionally, Indirect Purchaser Plaintiffs and Sony will take reasonable efforts to accommodate the other's efforts to minimize duplication in the providing of any cooperation.

30. Cooperation.

- (a) Within a reasonable period of time (but no more than thirty (30) days) after submission by Class Counsel to the Court of a proposed form of notice to the Classes, Sony's counsel shall meet with Class Counsel for the purpose of identifying any Sony documents that have been produced as of that time that relate to and/or support the allegations in the Third Consolidated Amended Class Action Complaint or that show Sony Lithium Ion Battery sales, pricing, capacity or production; provided, however, that such obligation shall not require Sony to provide information protected by the attorney-client privilege, attorney work-product doctrine and/or other similar privileges and shall not waive any such protections or privileges. Further, such communications shall be considered privileged settlement discussions pursuant to Federal Rule of Evidence 408 and similar provisions.
- (b) Sony will produce all English translations of any documents that it provided to the United States Department of Justice in connection with its investigation of potential collusion concerning Lithium Ion Batteries, to the extent they exist, within fifteen (15) business days after Preliminary Approval by the Court of this Agreement.
- (c) Sony agrees that Class Counsel may ask questions at depositions of Sony witnesses noticed by other plaintiffs in the Actions.
- (d) If Sony produces any declarations, documents, data or other

responses to discovery to any other plaintiff in the Actions, Sony will produce the same to Class Counsel.

- (e) Each of the Settling Parties shall cooperate in good faith to authenticate, to the extent possible, documents and/or things produced in the Actions, whether by declarations, affidavits, depositions, hearings and/or trials as may be necessary for the Actions, without the need for the other party to issue any subpoenas, letters rogatory, letters of request or formal discovery requests to the other.
- (f) Sony will respond to reasonable requests (including, if necessary, by providing reasonable telephonic access to appropriate employees) for clarification of the transactional, production and cost data that Sony produced in the Actions prior to the Execution Date.
- (g) Sony will continue to comply with the terms of paragraph I(C) in the Court's Order re Deposition Protocol (ECF No. 593) ("Deposition Protocol") relating to employee "watchlists" for as long as these terms are in effect. Sony will inform Class Counsel under the terms of that paragraph if Sony becomes aware that a person on Plaintiffs' (as defined in the Deposition Protocol) watchlist intends to leave, or does leave, his or her employment at Sony, to the extent reasonably possible.
- (h) Upon reasonable notice after Preliminary Approval of this Agreement, Sony shall use its best efforts to make available up to two (2) of its employees identified by Indirect Purchaser Plaintiffs for interviews, depositions and/or testimony at trial, via videoconference or at a mutually agreed upon location or locations

(except for testimony at trial, which shall be at the United States District Court for the Northern District of California). Unless mutually agreed to by the Parties, any such interviews shall not exceed one six-hour day. Except as specifically provided for herein, any such depositions shall be conducted in accordance with the procedures set forth in the Deposition Protocol and shall count toward the maximum of twelve (12) depositions for Sony as a defendant group as set forth in the Deposition Protocol.

31. Confidentiality. Indirect Purchaser Plaintiffs and Class Counsel agree that they will not use the information provided by Sony or its representatives for any purpose other than pursuit of the Actions, and will not publicize the information beyond what is reasonably necessary for the prosecution of the Actions. Any information provided pursuant to this Agreement shall be subject to the Stipulated Protective Order entered in the Actions on May 17, 2013 (ECF No. 193) (“Protective Order”) as if produced in response to discovery requests and so designated.

32. Other Discovery. Upon the Execution Date, Sony and Releasees need not respond to formal discovery from Indirect Purchaser Plaintiffs or otherwise participate in the Actions. Further, neither Sony nor the Indirect Purchaser Plaintiffs shall file motions against the other or initiate or participate in any discovery, motion or proceeding directly adverse to the other in connection with the Actions, except as specifically provided for herein, and Sony and the Indirect Purchaser Plaintiffs shall not be obligated to respond to or supplement prior responses to formal discovery that has been previously propounded by the other in the Actions or otherwise participate in the Actions. Indirect Purchaser Plaintiffs and Sony agree to withdraw all outstanding discovery served on the other.

33. Resolution of Disputes. To the extent the Settling Parties disagree about the interpretation or enforcement of any terms of this Agreement relating to future cooperation by Sony, they agree to submit such disputes for binding resolution by Judge

Vaughn R. Walker (ret.) or another mutually agreed neutral.

34. Final Approval. In the event that this Agreement fails to receive Final Approval by the Court as contemplated herein or in the event that it is terminated by either of the Settling Parties under any provision herein, the parties agree that neither Indirect Purchaser Plaintiffs nor Class Counsel shall be permitted to introduce in evidence, at any hearing, or in support of any motion, opposition or other pleading in the Actions or in any other federal or state or foreign action alleging a violation of any law relating to the subject matter of the Actions, any information provided by Sony or its counsel pursuant to ¶ 30(a) or ¶ 30(f) or any information obtained during interviews provided pursuant to ¶ 30(h). Further, in such event, Sony and Indirect Purchaser Plaintiffs will each be bound by and have the benefit of any rulings made in the Actions to the extent they would have been applicable to Sony or Indirect Purchaser Plaintiffs had Sony been participating in the Actions.

H. Conditions of Settlement, Effect of Disapproval, Cancellation or Termination

35. Effective Date. The Effective Date of this Agreement shall be conditioned on the occurrence of all of the following events:

- (a) Sony no longer has any right under ¶¶ 40-41 to terminate this Agreement or, if Sony does have such right, they have given written notice to Class Counsel that they will not exercise such right;
- (b) the Court has finally approved the Settlement as described herein, following notice to the Classes and a hearing, as prescribed by Rule 23 of the Federal Rules of Civil Procedure, and has entered the Judgment; and
- (c) the Judgment has become Final.

36. Occurrence of Effective Date. Upon the occurrence of all of the events referenced in the above paragraph, any and all remaining interest or right of Sony in or to

the Gross Settlement Fund, if any, shall be absolutely and forever extinguished, and the Gross Settlement Fund (less any Notice and Administrative Costs, Taxes, Tax Expenses or Fee and Expense Award paid) shall be transferred from the Escrow Agent to the Notice and Claims Administrator as successor Escrow Agent within ten (10) days after the Effective Date.

37. Failure of Effective Date to Occur. If all of the conditions specified in ¶ 35 are not met, then this Agreement shall be cancelled and terminated, subject to and in accordance with ¶ 41 unless the Settling Parties mutually agree in writing to proceed with this Agreement.

38. Exclusions. Class Counsel shall cause copies of requests for exclusion from the Classes to be provided to Sony's counsel. No later than fourteen (14) days after the final date for mailing requests for exclusion, Class Counsel shall provide Sony's counsel with a complete and final list of opt-outs. With the motion for final approval of the Settlement, Class Counsel will file with the Court a complete list of requests for exclusion from the Classes, including only the name, city and state of the person or entity requesting exclusion. With respect to any member of the Class who requests exclusion from the Classes, Sony reserves all of its legal rights and defenses, including, but not limited to, any defenses relating to whether the member of the Class is an indirect purchaser of the allegedly price-fixed product and/or has standing to bring any claim. Sony shall have the option to terminate this Agreement if the purchases of Lithium Ion Batteries, Lithium Ion Packs and/or Finished Products made by members of the Classes who timely and validly request exclusion from the Classes equal or exceed five percent (5%) of the total volume of purchases made by the Classes. After meeting and conferring with Class Counsel, Sony may elect to terminate this Agreement by serving written notice on Class Counsel by email and overnight courier and by filing a copy of such notice with the Court no later than thirty (30) days before the date for the final approval hearing of this Agreement, except that Sony shall have a minimum of ten (10) days in which to decide whether to terminate this

Agreement after receiving the final opt-out list. In the event that Sony exercises its option to terminate this Agreement: (i) this Agreement shall be null and void as to Sony, and shall have no force or effect and shall be without prejudice to the rights and contentions of Releasees and Releasors in this or any other litigation; and (ii) the Settlement fund paid by Sony, plus interest thereon, shall be refunded promptly to Sony, minus such payment (as set forth in this Agreement) of Notice and Administrative Costs and Taxes and Tax Expenses, consistent with the provisions of ¶ 41.

39. Objections. Settlement Class members who wish to object to any aspect of the Settlement must file with the Court a written statement containing their objection by the end of the period to object to the Settlement. Any award or payment of attorneys' fees made to the counsel of an objector to the Settlement shall only be made by Court order and upon a showing of the benefit conferred to the Classes. In determining any such award of attorneys' fees to an objectors' counsel, the Court will consider the incremental value to the Classes caused by any such objection. Any award of attorneys' fees by the Court will be conditioned on the objector and his or her attorney stating under penalty of perjury that no payments shall be made to the objector based on the objector's participation in the matter other than as ordered by the Court. Sony shall have no responsibility for any such payments.

40. Failure to Enter Proposed Preliminary Approval Order, Final Approval Order or Judgment. If the Court does not enter the Preliminary Approval Order, the Final Approval Order or the Judgment, or if the Court enters the Final Approval Order and the Judgment and appellate review is sought and, on such review, the Final Approval Order or the Judgment is finally vacated, modified or reversed, then this Agreement and the Settlement incorporated therein shall be cancelled and terminated; provided, however, the Settling Parties agree to act in good faith to secure Final Approval of this Settlement and to attempt to address in good faith concerns regarding the Settlement identified by the Court and any court of appeal. No Settling Party shall have any obligation

whatsoever to proceed under any terms other than substantially in the form provided and agreed to herein; provided, however, that no order of the Court concerning any Fee and Expense Application or Distribution Plan, or any modification or reversal on appeal of such order, shall constitute grounds for cancellation or termination of this Agreement by any Settling Party. Without limiting the foregoing, Sony shall have, in its sole and absolute discretion, the option to terminate the Settlement in its entirety in the event that the Judgment, upon becoming Final, does not provide for the dismissal with prejudice of all of the Actions against it.

41. Termination. Unless otherwise ordered by the Court, in the event that the Effective Date does not occur or this Agreement should terminate, or be cancelled or otherwise fail to become effective for any reason, including, without limitation, in the event that Sony elects to terminate this Agreement pursuant to ¶ 38, the Settlement as described herein is not finally approved by the Court or the Judgment is reversed or vacated following any appeal taken therefrom, then:

- (a) within five (5) business days after written notification of such event is sent by counsel for Sony to the Escrow Agent, the Gross Settlement Fund—including the Settlement Amount and all interest earned on the Settlement Fund while held in escrow excluding only Notice and Administrative Costs that have either been properly disbursed or are due and owing, Taxes and Tax Expenses that have been paid or that have accrued and will be payable at some later date, and attorneys' fees and costs that have been disbursed pursuant to Court order—will be refunded, reimbursed and repaid by the Escrow Agent to Sony; if said amount or any portion thereof is not returned within such five (5) day period, then interest shall accrue thereon at the rate of ten percent (10%) per annum until the date that said amount is returned;

- (b) within thirty (30) business days after written notification of such event is sent by counsel for Sony to Class Counsel, all attorneys' fees and costs which have been disbursed to Class Counsel pursuant to Court order shall be refunded, reimbursed and repaid by Class Counsel to Sony;
- (c) the Escrow Agent or its designee shall apply for any tax refund owed to the Gross Settlement Fund and pay the proceeds to Sony, after deduction of any fees or expenses reasonably incurred in connection with such application(s) for refund, pursuant to such written request;
- (d) the Settling Parties shall be restored to their respective positions in the Actions as of the Execution Date, with all of their respective claims and defenses preserved as they existed on that date;
- (e) the terms and provisions of this Agreement, with the exception of ¶¶ 13-15, 17, 27, 31, 33-35, 37, 40-41, 43-44, 46-47, 49-56 (which shall continue in full force and effect), shall be null and void and shall have no further force or effect with respect to the Settling Parties, and neither the existence nor the terms of this Agreement (nor any negotiations preceding this Agreement nor any acts performed pursuant to, or in furtherance of, this Agreement) shall be used in the Actions or in any other action or proceeding for any purpose (other than to enforce the terms remaining in effect); and
- (f) any judgment or order entered by the Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*.

I. No Admission of Liability

42. Final and Complete Resolution. The Settling Parties intend the Settlement as described herein to be a final and complete resolution of all disputes between

them with respect to the Actions and Released Claims and to compromise claims that are contested, and it shall not be deemed an admission by any Settling Party as to the merits of any claim or defense or any allegation made in the Actions.

43. Federal Rule of Evidence 408. The Settling Parties agree that this Agreement, its terms and the negotiations surrounding this Agreement shall be governed by Federal Rule of Evidence 408 and shall not be admissible or offered or received into evidence in any suit, action or other proceeding, except upon the written agreement of the Settling Parties hereto, pursuant to an order of a court of competent jurisdiction, or as shall be necessary to give effect to, declare or enforce the rights of the Settling Parties with respect to any provision of this Agreement.

44. Use of Agreement as Evidence. Neither this Agreement nor the Settlement, nor any act performed or document executed pursuant to or in furtherance of this Agreement or the Settlement: (a) is or may be deemed to be or may be used as an admission of, or evidence of, the validity of any Released Claims, any allegation made in the Actions, or any wrongdoing or liability of Sony; or (b) is or may be deemed to be or may be used as an admission of, or evidence of, any liability, fault or omission of the Releasees in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. Neither this Agreement nor the Settlement, nor any act performed or document executed pursuant to or in furtherance of this Agreement or the Settlement, shall be admissible in any proceeding for any purpose, except to enforce the terms of the Settlement, and except that the Releasees may file this Agreement and/or the Judgment in any action for any purpose, including, but not limited to, in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim. The limitations described in this paragraph apply whether or not the Court enters the Preliminary Approval Order, the Final Approval Order or the Judgment.

J. Miscellaneous Provisions

45. Voluntary Settlement. The Settling Parties agree that the Settlement Amount and the other terms of the Settlement as described herein were negotiated in good faith by the Settling Parties, and reflect a settlement that was reached voluntarily following mediation with Judge Vaughn R. Walker (ret.) and after consultation with competent legal counsel.

46. Consent to Jurisdiction. Sony and each Class Member hereby irrevocably submit to the exclusive jurisdiction of the Court only for the specific purpose of any suit, action, proceeding or dispute arising out of or relating to this Agreement or the applicability of this Agreement. Solely for purposes of such suit, action or proceeding, to the fullest extent that they may effectively do so under applicable law, Sony and the Class Members irrevocably waive and agree not to assert, by way of motion, as a defense or otherwise, any claim or objection that they are not subject to the jurisdiction of the Court or that the Court is in any way an improper venue or an inconvenient forum. Without limiting the generality of the foregoing, it is hereby agreed that any dispute concerning the provisions of ¶¶ 7-11 hereof, including but not limited to any suit, action or proceeding in which the provisions of ¶¶ 7-11 hereof are asserted as a defense in whole or in part to any claim or cause of action or otherwise raised as an objection, constitutes a suit, action or proceeding arising out of or relating to this Agreement. In the event that the provisions of ¶¶ 7-11 hereof are asserted by any Releasee as a defense in whole or in part to any claim or cause of action or otherwise raised as an objection in any suit, action or proceeding, it is hereby agreed that such Releasee shall be entitled to a stay of that suit, action or proceeding until the Court has entered a final judgment no longer subject to any appeal or review determining any issues relating to the defense or objection based on the provisions of ¶¶ 7-11. Nothing herein shall be construed as a submission to jurisdiction for any purpose other than any suit, action, proceeding or dispute arising out of or relating to this Agreement or the applicability of this Agreement.

47. Resolution of Disputes; Retention of Exclusive Jurisdiction. Any disputes between or among Sony and any Class Members concerning matters contained in this Agreement shall, if they cannot be resolved by negotiation and agreement, be submitted to the Court. The Court shall retain exclusive jurisdiction over the implementation and enforcement of this Agreement.

48. Binding Effect. This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the parties hereto. Without limiting the generality of the foregoing, each and every covenant and agreement herein by Indirect Purchaser Plaintiffs and Class Counsel shall be binding upon all Class Members.

49. Authorization to Enter Settlement Agreement. The undersigned representatives of Sony represent that they are fully authorized to enter into and to execute this Agreement on behalf of Sony. Class Counsel, on behalf of Indirect Purchaser Plaintiffs and the Classes, represent that they are, subject to Court approval, expressly authorized to take all action required or permitted to be taken by or on behalf of the Classes pursuant to this Agreement to effectuate its terms and to enter into and execute this Agreement and any modifications or amendments to the Agreement on behalf of the Classes that they deem appropriate.

50. Notices. All notices under this Agreement shall be in writing. Each such notice shall be given either by (a) e-mail; (b) hand delivery; (c) registered or certified mail, return receipt requested, postage pre-paid; (d) FedEx or similar overnight courier; or (e) facsimile and first class mail, postage pre-paid and, if directed to any Class Member, shall be addressed to Class Counsel at their addresses set forth below, and if directed to Sony, shall be addressed to their attorneys at the addresses set forth below or such other addresses as Class Counsel or Sony may designate, from time to time, by giving notice to all parties hereto in the manner described in this paragraph.

EXHIBIT 3

If You Bought a Lithium Ion Battery or Electronics Such as Notebook Computers, Mobile Phones, and/or Other Items Containing a Lithium Ion Battery Since 2000

You Could Get Money From a \$19.5 Million Settlement

A Federal Court authorized this Notice. This is not a solicitation from a lawyer.

- Please read this Notice and the Settlement Agreement available at www.batteriesconsumerlitigation.com carefully. Your legal rights may be affected whether you act or don't act. This Notice is a summary, and it is not intended to, and does not, include all of the specific details of the Settlement Agreement. To obtain more specific details concerning the Settlement, please read the Settlement Agreement.
- A class action lawsuit brought on behalf of indirect purchasers of Lithium Ion Batteries ("Li-Ion Batteries") and Lithium Ion Battery Products ("Li-Ion Products") is currently pending. Li-Ion Products include, but are not limited to, laptop computers, notebook computers, netbook computers, tablet computers, mobile phones, smart phones, digital cameras, camcorders, digital video cameras, digital audio players, and power tools.
- Plaintiffs claim that Defendants (listed below) and co-conspirators engaged in an unlawful conspiracy to fix, raise, maintain, or stabilize the prices of Lithium Ion Battery Cells ("Li-Ion Cells"). Plaintiffs further claim that indirect purchasers of Li-Ion Batteries and Li-Ion Products may recover for the effect that the conspiracy had on the prices of these devices. Plaintiffs allege that, as a result of the unlawful conspiracy involving Li-Ion Cells, they and other indirect purchasers paid more for Li-Ion Batteries and Li-Ion Products than they would have paid absent the conspiracy. Defendants deny Plaintiffs' claims.
- A settlement has been reached with Defendants Sony Corporation, Sony Energy Devices Corporation, and Sony Electronics Inc. (collectively "Sony" or "Settling Defendants").
- Your legal rights may be affected whether you act or don't act. This Notice includes information on the Settlement and the lawsuit. Please read the entire Notice carefully.
- The following rights and options – and deadlines to exercise them – are explained in this Notice.

YOUR LEGAL RIGHTS AND OPTIONS		
EXCLUDE YOURSELF	You will not be included in the Settlement from which you exclude yourself. You will receive no benefits from the Settlement, but you will keep any rights you currently have to sue Sony about the claims in the case(s) from which you exclude yourself. You will also lose your right to object to the terms of the settlement and to speak to the Court at the fairness hearing.	September 22, 2016
DO NOTHING NOW	You will be included in the Settlement and eligible to file a claim for a payment (if you qualify) at a later date. You will give up your rights to sue the Settling Defendants about the claims in these cases.	
OBJECT TO THE SETTLEMENT	If you do not exclude yourself, you can write to the Court explaining why you disagree with the Settlement.	September 22, 2016
GO TO THE HEARING	If you do not exclude yourself, you can also ask to speak in Court about your opinion of the Settlement.	November 8, 2016
REGISTER ON THE WEBSITE	The best way to receive notice about filing a claim and updates about the lawsuit.	

- The Court in charge of these cases still has to decide whether to finally approve the Settlement. Payments will be made only (1) if the Court approves the Settlement and after any appeals are resolved, and (2) after the Court approves a Distribution Plan to distribute the Settlement Fund minus expenses and any Court-approved attorneys' fees ("Net Settlement Funds") to Class Members. The proposed distribution plan for this settlement is to make a *pro rata* distribution to each class member based upon the number of approved purchases per class member of LIBs during the settlement class period.

BASIC INFORMATION

1. What Is This Notice About?

This Notice is to inform you about a Settlement reached in this litigation, before the Court decides whether to finally approve the Settlement. This Notice explains the lawsuit, the Settlement, and your legal rights. The Court in charge is the United States District Court for the Northern District of California. This litigation is known as *In re Lithium Ion Batteries Antitrust Litigation – All Indirect Purchaser Actions*, MDL No. 2420. The people who sued are called the “Plaintiffs.” The companies they sued are called the “Defendants.”

2. What Is This Lawsuit About?

The lawsuit alleges that Defendants and co-conspirators conspired to raise and fix the prices of Li-Ion Cells for over ten years, resulting in overcharges to indirect purchasers of Li-Ion Batteries and Li-Ion Products. The complaint describes how the Defendants and co-conspirators allegedly violated the U.S. and state antitrust, unfair competition, and consumer protection laws by agreeing to fix prices and restrict output of Li-Ion Cells by, among other things, face-to-face meetings and other communications, customer allocation, and the use of trade associations. Defendants deny Plaintiffs’ allegations. The Court has not decided who is right.

3. Why Is There A Settlement But The Litigation Is Continuing?

Only one group of Defendants has agreed to settle the lawsuit – Sony Corporation, Sony Energy Devices Corporation, and Sony Electronics Inc. (collectively “Sony”). The case is continuing against the remaining Non-Settling Defendants. Additional money may become available in the future as a result of a trial or future settlements, but there is no guarantee that this will happen.

4. Who Are The Non-Settling Defendant Companies?

The Non-Settling Defendant companies include: LG Chem, Ltd.; LG Chem America, Inc.; Samsung SDI Co. Ltd.; Samsung SDI America, Inc.; Panasonic Corporation; Panasonic Corporation of North America; Sanyo Electric Co., Ltd.; Sanyo North America Corporation; Hitachi Maxell, Ltd.; Maxell Corporation of America; NEC Corporation; NEC Tokin Corporation; and Toshiba Corporation.

5. What Are Li-Ion Cells, Li-Ion Batteries, And Li-Ion Products?

For purposes of the Settlement:

- “Lithium Ion Battery Cell(s)” or “Li-Ion Cells” means cylindrical, prismatic, or polymer cell used for the storage of power that is rechargeable and uses lithium ion technology.
- “Lithium Ion Battery” or “Li-Ion Battery” means Lithium Ion Battery Cell or Lithium Ion Battery Pack.
- “Lithium Ion Battery Pack” means Lithium Ion Battery Cells that have been assembled into a pack, regardless of the number of Lithium Ion Cells contained in such packs.
- “Lithium Ion Battery Products” or “Li-Ion Products” means products manufactured, marketed, and/or sold by Defendants, their divisions, subsidiaries, or Affiliates, or their alleged co-conspirators that contain one or more Lithium Ion Battery Cells manufactured by Defendants or their alleged co-conspirators. Lithium Ion Battery Products include, but are not limited to, laptop computers, notebook computers, netbook computers, tablet computers, mobile phones, smart phones, cameras, camcorders, digital video cameras, digital audio players, and power tools.

6. Why Is This A Class Action?

In a class action, one or more people called the “class representatives” sue on behalf of themselves and other people with similar claims in the specific class action. All of these people together are the “Class” or “Class Members.” In a class action, one court may resolve the issues for all Class Members, except for those who exclude themselves from the class.

THE SETTLEMENT

7. How Do I Know If I May Be Included In The Class?

The Class includes persons and entities that, from January 1, 2000, through May 31, 2011, indirectly purchased a Li-Ion Battery or Li-Ion Product in the United States for their own use and not for resale from one or more of the Defendants in this lawsuit. “Indirectly” means the product was purchased from someone other than the manufacturer, such as a retail store.

The specific definition of who is included in the Class is set forth in the Settlement Agreement and in the order preliminarily approving the settlement. The Settlement Agreement, the preliminary approval order, and the related Complaints are accessible on

the website www.batteriesconsumerlitigation.com. Payments to Class Members will be made only: (1) if the Court approves the Settlement and after any appeals are resolved, and (2) in accordance with the Distribution Plan to distribute the Settlement Funds minus expenses and Court-approved attorneys' fees ("Net Settlement Fund") to Class Members. The Distribution Plan, as approved by the Court, will determine the amount, if any, that each Class Member will receive. The Distribution Plan provides that payments to class members will be based on the number of valid claims filed by all Class Members and the dollar value of each Class Member's purchase(s) of Li-Ion Batteries and/or Li-Ion Products in proportion to the total approved claims filed by all Class Members.

8. What Does The Settlement Provide?

The Settlement Fund is \$19.5 million. After deduction of attorneys' fees, notice and administration costs, and litigation expenses, as approved by the Court, the remaining Settlement Fund will be available for distribution to Class Members who timely file valid claims. The Settlement also includes non-monetary relief, including cooperation in litigating against the Non-Settling Defendants.

More details about the Settlement are set forth in the Settlement Agreement, available at www.batteriesconsumerlitigation.com.

HOW TO GET BENEFITS

9. How Much Money Can I Get?

At this time, it is unknown how much each Class Member who submits a valid claim will receive. Payments will be based on a number of factors, including the number of valid claims filed by all Class Members and the dollar value of each Class Member's purchase(s) of Li-Ion Batteries and/or Li-Ion Products in proportion to the total claims filed. No matter how many claims are filed, no money will be returned to the Settling Defendants once the Court finally approves the Settlement. In order to receive a payment, you will need to file a valid claim form before the claims period ends. The claims period has not yet begun. A Notice about the claims process will be provided at a later date as ordered by the Court. If you want to be kept updated about the claims process or any future settlements, you should register at www.batteriesconsumerlitigation.com.

10. When Will I Get A Payment?

No money will be distributed yet. The lawyers for the Plaintiffs will continue to pursue the lawsuit against the Non-Settling Defendants. All Settlement Funds that remain after payment of the Court-ordered attorneys' fees, incentive awards, costs, and expenses will be distributed at the conclusion of the lawsuit or as ordered by the Court.

REMAINING IN THE CLASS

11. What Happens If I Remain In The Class?

You will give up your right to sue the Settling Defendants on your own for the claims described in the Settlement Agreement unless you exclude yourself from the Class. You also will be bound by any decisions by the Court relating to the Settlement. In return for paying the Settlement Amount and providing the non-monetary benefits, the Settling Defendants (and certain related entities defined in the Settlement Agreement) will be released from claims relating to the alleged conduct involving the Li-Ion Products identified in the Settlement Agreement. The Settlement Agreement describes the released claims in detail, so read them carefully since those releases will be binding on you if the Court approves the Settlement. If you have any questions, you can talk with Class Counsel for free, or you can, of course, talk with your own lawyer (at your own expense) if you have questions about what this means. The Settlement Agreements and the specific releases are available at www.batteriesconsumerlitigation.com.

EXCLUDING YOURSELF FROM THE CLASS

PO Box 173006
Milwaukee, WI 53217-8042

13. If I Don't Exclude Myself, Can I Sue For The Same Thing Later?

No. Unless you exclude yourself, you give up any right to sue the Settling Defendants for the claims being released in this litigation.

14. If I Exclude Myself, Can I Still Get Money Benefits?

No. If you exclude yourself from the Settlement Class in this Settlement, you will not get any money as a result of the Settlement.

THE LAWYERS REPRESENTING YOU

15. Do I Have A Lawyer Representing Me?

The Court has appointed the following lawyers as Class Counsel to represent you and all other members of the Class:

Steven N. Williams, Esq. Cotchett, Pitre & McCarthy, LLP San Francisco Airport Office Center 840 Malcolm Road, Suite 200 Burlingame, CA 94010 batteries@cpmlegal.com	Jeff Friedman, Esq. Hagens Berman Sobol Shapiro LLP 715 Hearst Avenue, Suite 202 Berkeley, CA 94710 batteries@hbsslaw.com	Brendan P. Glackin, Esq. Lieff Cabraser Heimann & Bernstein, LLP 275 Battery Street, 29th Floor San Francisco, CA 94111-3339 batteries@lchb.com
---	---	--

You will not be charged for contacting these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

16. How Will The Lawyers Be Paid?

At the Final Fairness Hearing, Class Counsel will ask the Court to (a) reimburse them for certain fees, costs, and expenses. At the Final Fairness Hearing, or at a later date, Class Counsel will ask the Court for attorneys' fees based on their services in this litigation, not to exceed 30% of the \$19.5 million Settlement Fund. Any payment to the attorneys will be subject to Court approval, and the Court may award less than the requested amount. The attorneys' fees, costs, and expenses that the Court orders, plus the costs to administer the Settlement, will come out of the Settlement Fund. Class Counsel may seek additional attorneys' fees, costs, and expenses from any other settlements or recoveries obtained in the future.

When Class Counsel's motion for fees, costs, and expenses is filed, it will be available at www.batteriesconsumerlitigation.com. The motion will be posted on the website at least 35 days before the Court holds a hearing to consider the request, and you will have an opportunity to comment on the motion.

OBJECTING TO THE SETTLEMENT

17. How Do I Object To Or Comment On The Settlement?

If you have objections to or comments about any aspect of the Settlement, you may express your views to the Court. You can object to or comment on the Settlement only if you do not exclude yourself from the Class. To object to or comment on the Settlement, you must:

- Specify in writing your name, address, and telephone number;
- Clearly identify in writing the case name, number, and settlement (*In re Lithium Ion Batteries Antitrust Litigation – All Indirect Purchaser Actions*, MDL No. 2420, Sony Settlement);
- Submit your letter to the Court either by mailing it to the Class Action Clerk, United States District Court for the Northern District of California, 1301 Clay Street, Oakland, CA 94612, or by filing it in person at any location of the United States District Court for the Northern District of California; and
- Make sure that the letter is filed or postmarked on or before September 22, 2016.

18. What Is The Difference Between Excluding Myself From The Class And Objecting To The Settlement?

If you exclude yourself from the Class, you are telling the Court that you do not want to participate in the Settlement. Therefore, you will not be eligible to receive any benefits from the Settlement, and you will not be able to object to the Settlement. Objecting to a Settlement simply means telling the Court that you do not like something about the Settlement. Objecting does not make you ineligible to receive a payment.

THE FINAL FAIRNESS HEARING

The Court will hold a hearing to decide whether to approve the Settlement and any requests by Class Counsel for fees, costs, and expenses. You may attend and you may ask to speak, but you do not have to do so.

19. When And Where Will The Court Decide Whether To Approve The Settlement?

The Court will hold a Final Fairness Hearing at 2:00 p.m. on November 8, 2016, at the United States Courthouse, 1301 Clay Street, Courtroom 1, 4th Floor, Oakland, CA 94612. The hearing may be moved to a different date or time without additional notice, so check the Court's PACER site, www.ecf.cand.uscourts.gov, www.batteriesconsumerlitigation.com, or call 1-800-584-2211 to confirm the date has not been changed. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are objections or comments, the Court will consider them at that time and may listen to people who have asked to speak at the hearing. The Court may also decide how much to pay Class Counsel. At or after the hearing, the Court will decide whether to approve the Settlement.

20. Do I Have To Attend The Hearing?

No. Class Counsel will answer any questions the Court may have. But you are welcome to attend at your expense. If you send an objection or comment, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also hire your own lawyer at your own expense to attend on your behalf, but you are not required to do so.

21. May I Speak At The Hearing?

If you send an objection or comment on the Settlement, you may have the right to speak at the Final Fairness Hearing as determined by the Court. You cannot speak at the hearing if you exclude yourself from the Class.

THE TRIAL

22. When And Where Will The Trial Against The Non-Settling Defendants Take Place?

If the case against the Non-Settling Defendants is not dismissed or settled, the Plaintiffs will have to prove their claims against the Non-Settling Defendants at trial. Trial dates have not yet been set. The trial will be held at the Courthouse at 1301 Clay Street, Courtroom 1, 4th Floor, Oakland, CA 94612.

At the trial, a decision will be reached about whether the Plaintiffs or the Non-Settling Defendants are right about the claims in the lawsuit. There is no guarantee that the Plaintiffs will win any money or other benefits for Class Members at trial.

23. What Are The Plaintiffs Asking For From The Non-Settling Defendants?

The Class representatives are asking for money for Class Members. The Class representatives are also seeking an order to prohibit the Non-Settling Defendants from engaging in the alleged behavior that is the subject of the lawsuit.

24. Will I Get Money After The Trial?

If the Plaintiffs obtain money or benefits as a result of a trial or settlement, Class Members will be notified about how to ask for a share or what their other options are at that time. These things are not known right now.

LEGAL NOTICE

If You Bought a Lithium Ion Battery or Electronics Such as Notebook Computers, Mobile Phones, and/or Other Items Containing a Lithium Ion Battery Since 2000

You Could Get Money From a \$19.5 Million Settlement

Sony Corporation, Sony Energy Devices Corporation, and Sony Electronics Inc. (“Settling Defendants”) have agreed to a Settlement resolving claims that they allegedly fixed the price of Lithium Ion Battery Cells. This may have caused individuals and businesses to pay more for Lithium Ion Batteries and Lithium Ion Battery Products. Lithium Ion Battery Products include, but are not limited to, laptop computers, notebook computers, netbook computers, tablet computers, mobile phones, digital cameras, camcorders, and power tools.

Am I Included?

You may be included if, from January 1, 2000 to May 31, 2011, you indirectly purchased a Lithium Ion Battery or Lithium Ion Battery Product (such as a notebook computer, mobile phone, or digital camera) in the United States for your own use and not for resale from one or more of the Defendants in this lawsuit. “Indirectly” means you bought the product from someone other than the manufacturer, such as from a retail store. A more detailed notice, including the exact Class definition and exceptions to Class membership, is available at www.batteriesconsumerlitigation.com.

What does the Settlement provide?

The Settlement provides for the payment of \$19,500,000 in cash to the Class. Sony has also agreed to cooperate in the pursuit of claims against other defendants.

How can I get a payment?

Money will not be distributed to the Class at this time. The lawyers for the Class will pursue the lawsuit against the other Defendants to see if any future settlements or judgments can be obtained in the case and then be distributed together, on a pro rata basis, based on the value of your Lithium Ion Battery and/or Lithium Ion Battery Product purchases, to reduce expenses.

If you want to receive notice about the claims process or future settlements, you should register at www.batteriesconsumerlitigation.com.

What are my rights?

Even if you do nothing, you will be bound by the Court’s decisions concerning this Settlement. If you want to keep your right to sue the Settling Defendants regarding Lithium Ion Battery and/or Lithium Ion Battery Product purchases, you must exclude yourself in writing from the Class by September 22, 2016. If you stay in the Class, you may object in writing to the Settlement by September 22, 2016, 2016. The Settlement Agreement, along with details on how to exclude yourself or object, is available at www.batteriesconsumerlitigation.com. The U.S. District Court for the Northern District of California will hold a hearing on November 8, 2016 at 2:00 p.m., at 1301 Clay Street, Courtroom 1, 4th Floor, Oakland, CA 94612 to consider whether to approve the Settlement. The hearing may be moved to a different date or time without additional notice, so it is a good idea to check the website for additional information. You or your own lawyer may appear and speak at the hearing at your own expense, but you don’t have to. Class Counsel will also request at the hearing, or at a later date, attorneys’ fees of up to 30% of the Settlement Fund, plus

reimbursement of costs and expenses, for investigating the facts, litigating the case, and negotiating the settlement. Please do not contact the Court about this case.

If the case against the other Defendants is not dismissed or settled, Class Counsel will have to prove their claims against the other Defendants at trial. Dates for the trial have not yet been set. The Court has appointed the law firms of Cotchett, Pitre & McCarthy, LLP; Lieff Cabraser Heimann & Bernstein, LLP; and Hagens Berman Sobol Shapiro LLP as Class Counsel, to represent Indirect Purchaser Class members.

Re: In re Lithium Ion Batteries Antitrust Litigation
Case No. 4:13-md-02420-YGR (N.D. Cal.)

Dear Sir or Madam:

I write on behalf of Sony Corporation, Sony Energy Devices Corporation, and Sony Electronics Inc. (“Sony”) in relation to the above-captioned case, which is pending in the United States District Court for the Northern District of California before the Honorable Yvonne Gonzalez Rogers (the “Action”). The Action relates to alleged overcharges for lithium-ion batteries and certain products containing lithium-ion batteries in the United States from January 1, 2000 through May 31, 2011.

In connection with the Class Action Fairness Act of 2005, 28 U.S.C. § 1715 (“CAFA”), Sony hereby gives you notice that a motion for preliminary approval of a settlement with the putative class of indirect purchaser plaintiffs (“IPPs”) was filed on April 8, 2016.

Pursuant to CAFA, Sony provides the following information:

- 1) The enclosed CD contains copies of the following complaints and related materials:
 - IPPs’ First Consolidated Amended Class Action Complaint (Dkt No. 221, filed July 2, 2013)
 - IPPs’ Administrative Motion to File Under Seal Portions of IPPs’ Consolidated Second Amended Class Action Complaint, attaching IPPs’ Consolidated Second Amended Class Action Complaint (Dkt No. 408, filed March 26, 2014)
 - IPPs’ Corrected Consolidated Second Amended Class Action Complaint (Dkt No. 419, filed April 11, 2014)
 - IPPs’ Third Consolidated Amended Class Action Complaint (Dkt No. 519, filed October 22, 2014)
 - IPPs’ Fourth Consolidated Amended Class Action Complaint (Dkt No. 1168, filed March 18, 2016)

- 2) A hearing to consider preliminary approval of the proposed settlement is scheduled to be held on May 24, 2016, at 2:00 p.m. at the United States District Court for the Northern District of California located at 1301 Clay Street, Oakland, CA 94612. A hearing to consider final approval of the settlement has not yet been scheduled.
- 3) A copy of the proposed long-form and short-form settlement notices that were filed with the IPPs' motion for preliminary approval are enclosed herewith and inform class members of the proposed settlement, the right to object or request exclusion from the class, and the proposed plan of distribution.
- 4) A copy of the proposed settlement agreement between Sony and IPPs is enclosed herewith.
- 5) Sony and IPPs have not contemporaneously entered into any other settlement or agreement.
- 6) There has been no final judgment or notice of dismissal entered as to Sony in the Action.
- 7) Largely because the proposed settlement class includes persons and entities that purchased lithium-ion batteries and/or certain products containing lithium-ion batteries from entities *other* than Sony, it is not feasible for Sony to identify the names of class members who reside in each state or to estimate the proportionate share of the claims of such class members to the entire settlement. Likewise, it is not feasible for Sony to identify the total number of class members residing in each state before notice of the settlement is given and potential class members submit claim forms. Sony thus provides the below estimate of each state's potential class members' proportionate share of the settlement based upon figures reported by the U.S. Census Bureau:

Preliminary Estimate of Each State's Potential Class Members' Proportionate Share of the Proposed Settlement Based on Population Figures Reported by the U.S. Census Bureau
